Sub: Signalling Maintenance Management System.

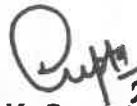

CRIS is carrying out the implementation of Signalling Maintenance Management System (SMMS) on Ambala and Moradabad divisions of Northern Railway, Kota division on West Central Railway, Sealdah division on Eastern Railway and Hyderabad division on South Central Railway. Northern Railway have entrusted the work to CRIS and procurement of all hardware/software is being done by CRIS against the sanctioned estimate.

2. In this regard, a meeting chaired by AM (Signal) in his Chamber shall be held in Board's office on 08.01.2019 at 15:30 hours to review the progress of the work as per agenda below:-

- i. Roll-out of SMMS with 5 module and reports developed by CRIS in one section each of the four Railways.
- ii. Timelines of balanced formats (both assets and maintenance forms) to be provided by Zonal Railways in terms of Board's letter of even no. dtd. 05.10.2018.
- iii. Procurement of hardware and supply to Railways by CRIS.
- iv. Confirmation by Zonal Railways for provision of Broad Band connection and high speed internet access in terms of Board's letter of even no. dtd. 23.11.2017.

3. PCSTEs along with CSEs of the above Railways shall attend the meeting through Video Conferencing along with details.

4. GM(S&T), CRIS to give a presentation on the subject.
