No.2012/Sig/M/7/Gen(DAC)

New Delhi, dated 9th October, 2018

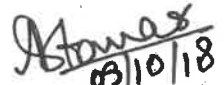

PCSTEs
All Zonal Railways

Sub: Replacement work of M/s. CEL Software version S007.

M/s. CEL has issued modified and improved software version S007 which is to be installed in all its SSDAC/HASSDAC over Indian Railways.

In PCSTEs Conference held in June 2018, it was decided to complete the replacement work of M/s. CEL Software version S007 by September, 2018.

Railways are requested to confirm that all M/s. CEL make SSDAC/HASSDAC of their Railway has been provided with software version S007.
