Sub: Non-filling of vacancies in Safety Category Posts.

While assessing vacancies for the posts of Technicians to be recruited through RRBs, earlier only 25% of the vacancies were considered. This issue of reduced recruitment was raised in the Board's Office and in the Board Meeting held on 23.7.18, it has been decided that recruitment to be initiated for 100% of vacancies assessed as on 1.1.18 for the posts of Technicians and SSEs/JEs.

It was informed by EDE(RRB)/Railway Board that updated assessment of vacancies of all categories of posts as on 1.1.18 (anticipated vacancies up to 31.12.20) has been carried out by all units of railways through OIRMS and accordingly recruitment has been processed.

It is requested to kindly ensure that the indents which have been processed by RRBs for your Railway are 100% of the assessed vacancies.
