No. 2017/Sig/WP/Misc.

Dtd 26.03.2018

General Managers,
All Zonal Railways.

Sub: Interlocking of manned level crossings with high TVUs.

Recently there was a serious accident on one of the Zonal Railway at a manned Level Crossing gate having very High TVUs. Chairman Railway Board has expressed his serious concern over non-interlocking of such busy manned level crossing on the Zonal Railways.

2. Chairman Railway Board has directed that immediate Action Plan may be drawn by the Zonal Railways for interlocking of all balance manned level crossings having TVUs in excess of 50,000 which are not planned for elimination by ROB/RUB in next six months. Works for interlocking of such level crossing gates wherever not sanctioned may be got sanctioned at the Railway level under Zonal powers.

3. It is requested that the Action Plan for interlocking of busy Level Crossing Gates having TVUs in excess of 50,000 on your Railway may be drawn and submitted to Board by 6th April 2018 for appraisal of Chairman Railway Board.

This may be treated as Most Urgent.
