New Delhi, dated:22.3.2018

Shri P. Venkata Ramana
Sr.Professor/Signal Convenor,
IRISET,
Secunderabad 500 017

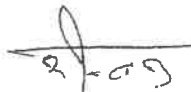

Sub: Review of Electronic Interlocking (EI) Application Data
Design for achieving uniformity across approved vendors.

Ref: i) Rly.Board's letter No.2013/Sig/IRISET dt.9.08.2017
ii) IRISET's letter No.PS/EIC dated 16.1.2018

The report on review of EI application data design for achieving uniformity across approved vendors submitted by you has been examined in Board's office.

The competent authority has remarked that the Committee should re-examine and given their recommendations for standardizing the design of the EI logics for all makes of EI, if necessary, by examining the earlier reports of standardization of interlocking design. The Committee should go into the details and give achievable recommendations.

The Committee can co-opt any Member(s).
