

GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

New Delhi dated 02.01.2018

No.E(MPP)/2017/3/25

General Managers
All Zonal Railways & PUs.

Sub: Implementation of Project Saksham Monitoring System.

Ref: (1) This office letter No.E(MPP)/2017/3/25 dated 08.12.2017.
(2) CRIS/NDLS letter No.2014/NDLS-HQ/AIMS/Implementation/AIMS/11
Zones/0024/Pt-3 dated 15.12.2017.
(3) CPO/SCR's letter No.SCR/P-HQ/765/IT/P. Saksham dated 29.12.2017.

The Monitoring System of Project Saksham has been developed by SC Railway. It is located in the public domain on internet at URL saksham.indianrailways.cloud.

The user details of the Portal, as informed by Pr. CPO/SCR, consist of mainly two parts. One is 'Dashboard' – to monitor the progress at various levels and the second one is slots allotment, where actual training slot booking takes place. After opening the web page, a detailed User Manual has been provided for both the sections and beneath it Railway/Unit wise login credentials have been provided to login for slot allotment section. Login credentials can be used by custodian of the Personnel Officer in-charge of division/unit. However, simultaneously with the same user ID and password, it can be logged into the portal by other officers also for speedy updation of data. For Dashboard, there is no requirement of any user ID or password.

All the Railways are requested to enter employee training details in the above Monitoring System for successful completion and monitoring of Project Saksham.

(Mahendra Kumar Gupta)
Director/MPP
Railway Board.
