No.2017/SIG/WP/RE Works

Date: 20.11.2018

✓ The General Managers,
All Zonal Railways & CORE, Allahabad.

Sub: Execution of S&T Works in RE Areas.

- Ref: 1) Board's letter No. 94/RE/141/1 dated 6.9.1994
2) Board's letter No. 2000/RE/161/11 dated 1.5.2007.

Vide Board's letter dated 06.09.1994 and 01.05.2007 referred above, inter alia it was advised that, "Sections where electrification is envisaged during the near foreseeable future, the work being done by Open Line should conform to RE standards to avoid infructuous expenditure".

2. The proposal for electrification of balance unelectrified BG Routes of Indian Railways has recently been approved, and therefore, it is reiterated that in order to avoid duplication of work, all new S&T Works (where tenders are yet to be floated) need to be executed to RE Standards.

This issues with the approval of Board (CRB)
