**GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)**

**Indian Railways General Conditions of Contract for the Manufacture and Supply of
Wagons**

1.0 Through these conditions the terms :

- (i) "The Work" includes materials of every kind and every stage of their preparation necessary for carrying out the contract.
- (ii) The "Inspection Officer" means the person, firm or department nominated by the President of India to inspect the work on his behalf and the deputies of the Inspecting Officer so nominated.
- (iii) The "Contractor" means the person, firm or company on whom the order for the wagons are placed and shall be deemed to include the contractor's successors (approved by the President of India), representatives, heirs, executors and administrators as the case may be unless excluded by the terms of the contract.
- (iv) The "Sub-Contractor" means any person, firm or company from whom the contract may obtain any materials or fittings to be used in the construction and manufacture of the work.
- (v) "Drawings" means the drawings exhibited or provided for the guidance of the contractor.

2.0 **PARTIES :**

The parties to the contract are the contractor and the President of India, named in the contract.

3.0 **EXECUTION OF THE CONTRACT :**

The whole contract is to be executed in the most approved and workmanlike manner to the entire satisfaction of the President of India or the Inspecting Officer who both personally and by any deputy appointed on his behalf shall have powers to reject any of the work of which he may disapprove, and his decision thereon and on any question as to the true intent and meaning of the specification or drawings of the work necessary for the proper completion of the contract shall be final and conclusive.

4.0 **TRANSFER AND SUBLETTING OF THE CONTRACT :**

- (a) The contractor shall not sublet (otherwise than that which may be customary in the trade concerned) transfer, assign or otherwise part with directly or indirectly, to any person whatsoever this contract or any part thereof, without the previous written permission of the President of India.

- (b) The contractor shall be entirely responsible for the work executed by the sub-contractor, if any, to the entire satisfaction of the Inspecting Officer and for his timely execution of the contract in all respects.

5.0 CONTRACTOR'S RESPONSIBILITIES :

The contractor shall be solely responsible for the execution of the contract in all respect in accordance with the conditions of contract notwithstanding any approval with the Inspecting Officer may have given of materials or other parts of the work involved in the contract or of test carried out either by the contractor or by the Inspecting Officer.

6.0 INDEMNITY :

The contractor shall at all times indemnify the President of India against all claims which may be made in respect of the said work for infringement of any right protected by patent, registration of design or trade mark provided always that in the event of any claim in respect of an alleged breach of patent, registered design or trade mark being made against the President of India, he shall notify the contractor of the same and the contractor shall be at liberty but at his own expense, to conduct negotiations for the settlement of any litigation that may arise therefrom.

7.0 DRAWING :

If any dimensions figured upon drawing differ from those obtained by scaling the Drawing, the dimension as figured upon the drawings shall be taken as correct.

8.0 PROGRESS OF THE WORK :

If for any reason whatsoever other than those specified in clause 13 below the contractor's preparation for the commencement of the work or any portion of it, or his subsequent rate of progress be so slow, that in the opinion of the Inspecting Authority whose decision shall be final, the contractor shall be unable to complete the work as agreed upon or should the contractor fail to deliver the vehicles in conformity with the contract in any respect fail to perform the contract except for any reason other than those specified in clause 13 below, or should be adjusted insolvent, or have receiving order made against him or made or enter into any arrangement or composition with his creditors, or suspend payment or being a company is wound up (either compulsory or voluntary), the President of India shall have the power to terminate the contract by notice in writing, in which case the contractor shall be held liable for liquidated damages for delay and for any expense, loss or damage which the President of India may be put to incur or sustain by reason of the termination mentioned above. 14 days notice shall be given to the contractor if the contract is terminated before the expiry of the stipulated date of delivery or the extension thereof.

8.1 FAILURE AND TERMINATION:

If the contractor fails to deliver the wagons or any installment thereof within period fixed for such delivery in the schedule or as extended or at any time repudiates the contract before the expiry of such period, for any reason whatsoever other than those specified in clause 13 below, the President of India may, without prejudice to his other rights:

- (a) Recover from the contractor as agreed liquidated damages and not by way of penalty a sum as specified in clause 12 below, or

01/11/24

(b) Cancel the contract or a portion thereof with forfeiture of Security Deposit and to have the vehicles manufactured or authorize the manufacture of the vehicles not so delivered or other of a similar description (where vehicles exactly complying with particulars are not readily procurable, in the opinion of the President of India, which shall be final) at the risk and cost of the contractor.

9.0 **RELAXATIONS/ ALTERATIONS/ DEVIATIONS IN THE WORK:**

9.1 President of India may require alterations/ deviations to be carried out in the work during its progress as he may deem necessary. All such alterations/ deviations shall be allowed by the President of India or the Research, Design and Standards Organization on behalf of the President of India. No relaxations/ deviations/ alterations in the work during its progress shall be made by the contractor unless the same have been permitted by the Research Design and Standards Organization or the President of India. The escalation/ de-escalation in cost resulting from such relaxations/ alterations/ deviations shall be mutually agreed upon by the parties prior to the commencement of the work failing which the decision of the President of India in this regard shall be final and binding on the contractor.

9.2 A consolidated statement incorporating all the relaxations/ alterations/ deviations made during the execution of the order separately for each type of wagon with the financial implications as already agreed upon as well as not agreed to between the parties or where the cost of escalation/ de-escalation could not be decided earlier shall be submitted by the contractor duly certified by the RDSO to the President of India immediately but in any case not later than three months from the date of the completion of the order for each type of wagon. After due consideration of the final implications of all such relaxations/ alterations/ deviations as per the aforesaid final statement, the President of India shall determine the amount, if any, that shall be, on the account payable to/ recoverable from the contractor. The decision of the President of India in this regard shall be final and shall not be subject to any legal proceedings/ arbitration.

9.3 If the contractor defaults in submission of the aforesaid statement within the time frame stipulated in clause 9.2 above it shall be open to the President of India, in its discretion, to assess the estimated amount of de-escalations in the cost of each type of wagon recoverable from the contractor in terms of the relaxations/ alterations/ deviations permitted to the contractor without any further reference to him. The decision of the President of India in this regard shall be final and shall not be subject to any legal proceedings/ arbitration.

10.0 **INSPECTION :**

Before the contractor start with any new order for construction of goods wagons, a pattern wagon or prototype should be prepared and put for inspection to the Officer nominated by the Railway Board for this purpose. The bulk manufacture will only be started after the prototype has been approved. The contractor shall inform the Railway Board at least one month in advance of the likely date by which the prototype would be ready. The prototype wagon shall be retained by the contractor for reference during the currency of the contract where the wagons on order are being manufactured for the first time. If the contractor had already manufactured a similar wagon before under a contract with the Railway Board, the RDSO may at their discretion permit the prototype to be released before completion of the order. Building of a prototype may not be necessary when the contractor is continuing with the same type of wagon after finishing one order and starting with another one, but permission to omit this step in such cases shall be obtained by the contractor before commencing production.

The contractor shall inform the Inspecting officer when work is ready for the Inspection giving him sufficient notice to enable him to inspect the same without retarding the progress of the work. No work shall be considered completed in accordance with the terms of the contract until the Inspecting Officer shall have certified in writing that it has been inspected and approved by him.

Irrespective of any inspection and tests made by the Inspecting Officer, the contractor shall provide adequate supervision at all stage of the work and examine all parts for accuracy before inspection is commenced. He shall also provide facilities and space satisfactory to the Inspecting Officer to lay out for his inspection parts to be used in the work at such stages of manufacture as he may direct and shall satisfy the Inspecting Officer that adequate provision has been made (i) to carry out his instructions fully and with promptitude, (ii) to ensure that parts required to the inspected before use and not used before inspection; and (iii) to prevent rejected parts being used in error. Where parts previously not approved have been rectified or altered such parts shall be segregated for separate inspection and approval before being used in the work.

11.0 Delivery :

The contractor shall deliver the wagons free on rails at the place or places detailed in the contract not later than the date or dates specified therein.

The time and the date specified in the contract or as extended for the delivery of the wagons shall be deemed to be the essence of the contract and delivery must be completed not later than the date(s) so specified or extended

12.0 LATE DELIVERY :

In the event of contractor's failure to deliver the wagons by the due date(s)' the President of India shall be entitled to deduct as liquidated damages and not by way of penalty a sum @ of ½ % (half percent) of cost of each wagon for each and every week for which delivery is delayed beyond the delivery date specified in the contract, subject to a maximum of 10% of the value of contract irrespective of delays. The President of India shall also be entitled to deduct (if so desired) in addition, the costs of inspection as certified by the Inspecting authority (whose decision shall be final) which may incurred after the date on which the wagons ought to have been delivered.

If such failure to deliver any of the wagons by the due date mentioned above is due to any of the force majeure conditions mentioned in clause 13 or due to any cause which the President of India considers reasonable, the President of India may either allow such additional time as he considers to be justified by the circumstances of the case and may forgo the whole or such part of his claim for damages as he may consider reasonable (the decision of the President of India thereon being final) or may terminate the contract in which case no damage shall be claimable by either party.

13.0 Force Majeure Condition :

13.1 Force Majeure means an event beyond the control of the supplier and not involving the supplier's fault or negligence and which is not foreseeable. Such events may include, but are not restricted to acts of the purchaser either in its sovereign or contractual capacity wars or revolutions, hostility acts of public enemy, civil commotion, sabotage, fires, floods, explosions, epidemics, quarantine restrictions, strikes, lockouts, and freight embargoes. However, it should not be used by a party to effectively to escape liability for bad performance.

01/11/24

If there is delay in performance or other failures by the supplier to perform its obligation under its contract due to event of a Force Majeure, the supplier shall not be held responsible for such delays/failures.

If a Force Majeure situation arises, the supplier shall promptly notify the purchaser in writing of such conditions and the cause thereof within twenty one days of occurrence of such event with reasonable evidence thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

If the performance in whole or in any part or any obligation under this contract is prevented or delayed by any reason of Force Majeure for a period exceeding sixty days, either party may at its option terminate the contract without any financial repercussion on either side.

There may be a Force Majeure situation affecting the purchase organization only. In such a situation the purchase organization is to take up with the supplier on similar lines as above for further necessary action.

14.0 CHARGES FOR WORK NECESSARY FOR COMPLETION OF THE CONTRACT :

The contractor shall pay all charges for stamping, painting, marking weighing, protecting or preserving patent rights, drawings, photographs, pamphlets, models and gauges and for all such measures as the President of India or the Inspecting Officer may deem necessary for the proper completion of the contract, though special provisions therefore may not be made in the specifications or drawings.

15.0 WARANTY/GUARANTEE :

If within 30 calendar months after delivery to the President of India or 24 months from the date of commissioning whichever is earlier, any vehicles be found defective, the President of India after certifying in writing that such a defect arises from inferiority of material or workmanship, or from imperfect protection or other default on the contractor's part, shall be at liberty to remedy the defect, in case contractor fails to rectify the defect within 30 days of issue of such intimation and deduct from any money due to the contractor (or to the extent such money are insufficient to cover such deficiency from the contractor on demand) such amount as the chief Mechanical Engineer or any Officer on his behalf shall certify to be the fair cost to the work which in his opinion (which shall be final and not be subject matter for legal disputes or arbitration) has arisen from the default of the contractor, notwithstanding any certificate previously given or any, advance made by the President of India to the contractor as herein provided on account thereof.

16.0 BRIBES COMMISSION ETC. :
