No 2012/RS(S)/709/7 Vol-II

New Delhi, Dated 16.04.2018

PCMMs,
All Zonal Railways & PUs.

Sub: Uploading of Auction Catalogue on IREPS website.

Vigilance Dte./Railways Board has made an observation that in one of the Railways, auction catalogue was uploaded in the evening and auction was conducted on next day morning without giving purchasers/bidders appropriate/reasonable time period to inspect the material before bidding. Such a practice is resulting in no. of complaints/Vigilance cases.

The Uniform E-Sale condition for E-Auction on IREPS website stipulates that Purchasers should inspect the material prior to bidding and E-Auction sale is strictly on the assumption that bidders have inspected the items.

To facilitate inspection of the material prior to bidding by purchasers/bidders, it is decided that Auction Catalogue indicating various details regarding description of material, quantity of scrap, date of sale etc. should be uploaded on IREPS website minimum seven (7) days prior to e-auction.
