(रेलवे बोर्ड Railway Board)

No. 2008/RS(G)/779/10

New Delhi, dated 20-11-2008

Controller of Stores,
NFR/Guwahati & SWR/Hubli

**Sub: ~~Nomination~~ of Diesel Locomotive Works (DLW) as the nodal agency
for ~~arranging~~ the items required for maintenance of GM Locos.**

Attention is invited to Board's letter of even number dated 21-10-2008 ~~advising that "DLW will be nodal agency for centralized procurement of items/spares of GM Locomotives needed for their maintenance and operation by all Railways/PUs," as was decided in the Conference of CMMs(Mech.) of Railways/PUs with Board held at Rail Bhawan on 3rd June, 2008.~~

~~Keeping in view the fact that large number of items/spares of GM locomotives are imported ones, needing longer lead time for procurement and procurement activities for the contract period 2008-09 must be underway towards finalization at Zonal Railway level, the following is advised to ensure seamless switchover of procurement activities without affecting availability of items in the interim period.~~

- i) Procurement of items /spares needed for maintenance & operation of GM locomotives will be dealt by Zonal Railway upto the contract period 2009-10.
- ii) Procurement of items /spares needed for maintenance & operation of GM locomotives will be dealt by nodal agency-DLW from the contract period 2010-11 onwards. Zonal Railways are advised to send their indents for these items to DLW well in advance so as to ensure timely availability of items by DLW at the Zonal Railway level.
