RAILWAY BOARD (रेलवे बोर्ड)

No. 2017/TK-II/22/14/1

New Delhi, dt. 08.04.2021

**Principal Chief Engineer,
All Zonal Railways.**

Sub: Method to be adopted for PVC payment against HTS wire price from Rashtriya Ispat Nigam Limited (RINL) website- Railway Board tenders CS-169/2016 & CS-172/2018.

While making payment against sleeper supplied to Zonal Railways under subject matter, it is seen that different Railways adopt different methodology specifically in case of PVC payment made against HTS wire price that sometimes gets revised more than once by RINL in a single calendar month.

To maintain uniformity across all Zonal Railways, this issue has been considered in Board's office in consultation with Finance Directorate and accordingly it has been decided, to adopt latest rate of HTS wire available on RINL website (even if rates of HTS wire are revised more than once in a calendar month) for updating PVC rates applicable for supplies made of PSC line sleepers from the date of the issue of this letter in Railway Board line sleeper tenders CS-169/2016 & CS-172/2018.
