New Delhi, Dtd. 29.11.2023

Principal Chief Engineer,
All Zonal Railways

Sub: Reduction of time duration during IOH / POH of track machines.

Please find enclosed herewith time duration statement of Machines under IOH / POH on all Zonal Railways from 1.04.2023 to 26.11.2023.

From the above it can be concluded that Railways are taking long time for IOH/POH of their track machines, adversely affecting the utilization of these track machines. In light of the above, Zonal Railways are advised to curtail the time duration of IOH/POH and not to exceed this duration to that prescribed in IRTMM for better utilization of track machines and achieving the targets of track renewal and maintenance.
