**GOVERNMENT OF INDIA  
MINISTRY OF RAILWAYS  
(RAILWAY BOARD)**

**No. 2021/Track-III/TK/6**

**New Delhi, Dtd. 02.08.24**

**Principal Chief Engineers,  
All Zonal Railways.**

**Sub: One month Intensive Safety drive.**

Safety in track machine working is utmost important factor and should be ensured all time. In this regard instructions exists in IRTMM-2019, G&SR, IPWM-2020. In order to ensure that the prescribed provisions in manuals and guidelines/instructions issued, are being followed in the track machine working, a special drive for one month is launched. The items covered during safety drive are enclosed.

Daily report on the deficiencies noticed and the remedial action taken should be filled/uploaded in enclosed proforma on shared link. Beside filling the google sheet, railways should submit weekly report on above items.

**DA: as above.**
