No. Track/21/2007/0110/AT Welding

New Delhi., dt. 02.04.2014

Executive Director/Track-I
R.D.S.O.,
Lucknow.

Sub:- Implementation of improved A.T. Welding Technology with use of Single shot crucible on Indian Railways.

Ref:- RDSO's letter No. CT/Welding/Policy dated 05.03.2014.

Board (ME), after reviewing the current status of development of vendors for AT Welding Technology with the use of single shot crucible, has approved the following course of action:

- (i) All the tenders of AT Welding shall be only with single shot crucible after 01.04.2015.
- (ii) The use of multi-shot in A.T. Welding after 01.04.2015 has to be discontinued and will be permitted only as an exception.

2. RDSO is advised to take necessary action to develop vendors well in time and reflect the status in monthly PCDO to Board.
