No.Track/21/2007/0110/AT Welding

New Delhi, 06.04.2011

Executive Director/Track-I
RDSO
Lucknow.

Sub: Implementation of AT Welding with Automatic Thimble Technology on IR.

Ref: RDSO's letter No. CT/Welding/Policy dated 04.03.2011. -SK 117

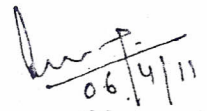

Board(ME), after reviewing the status of implementation of AT welding with Auto Thimble Technology, has approved the following course of further action, as proposed by RDSO vide their letter under reference:-

(i) Zonal Railways, where AT welding firms wish to undertake field trial of their AT welding technique with Auto Thimble Technology, should give developmental contract for execution of 100 Nos. of trial joints and the process of field trial be completed within 6 months.

(ii) All tenders for AT welding w.e.f 01.01.2012 should invariably be invited by the Zonal Railways with Auto-tapping Thimble Technology.

2. RDSO may take necessary action accordingly in coordination with Zonal Railways and the vendors for expediting the field trial and development of vendors well in time to ensure adherence of above target date.

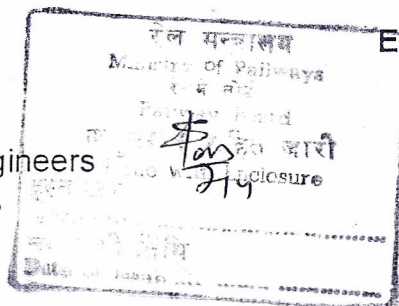

3. The progress status in the matter should be reflected appropriately in RDSO's PCDO to Board (ME).
