

GOVERNMENT OF INDIA  
MINISTRY OF RAILWAYS  
(RAILWAY BOARD)

No. Track/21/2007/0110/AT Welding

New Delhi, dated 01.10.2015

Executive Director/Track-I,  
RDSO  
Lucknow.

**Sub: Implementation of improved AT Welding Technology with use of Single shot crucible on Indian Railways.**

- Ref: 1. RDSO's letter no. CT/Welding/Policy dated 07.09.2015.
- 2. This office letter of even no. dated 02.04.2014 and 16.03.2015.

Vide above referred letters of Board dated 02.04.2014 and 16.03.2015, it was advised that all tenders of AT Welding in zonal railways shall only be called with single shot crucible after 01.10.2015. RDSO was also advised to take necessary action to develop vendors well in advance.

Vide above referred letter of RDSO, it has been advised that development of vendors of single shot crucible will take about four months more time. Request of RDSO to extend target date for implementation of single shot crucible till 01.02.2016 has been considered in this office and Additional Member (CE) has approved that target date of implementation of single shot crucible may be extended upto 01.02.2016.

RDSO is advised to expedite vendor development in time and reflect the status in monthly PCDO to Board.
