Inter alia referring to Board's letter No.2007/TC-I/302/1Pt.E dt.06.01.2011, a clarification has been sought whether the maximum number of BLL wagons to be attached in a mixed rake is 'four BLL wagons' or 'four BLL units'.

It is advised that 'four BLL wagons' mentioned in the second para of aforementioned Board's letter may be read as 'four BLL units'.

(This disposes off CAO/FOIS' letter No.CAO/FOIS/104/RD/Container dt. .02.2011)
