----

In terms of Board's letter of even number dated 20.07.2011, dispensation of Board was communicated to South East Central Railway for continuance of existing system of weighment of steel product on static weighbridge at SAIL/Bhilai Steel Plant. Further to this, exemption from replacement of static weighbridges in case of colliery sidings as mentioned by SECR and ECR in their proposals was also granted in terms of Board's letter of even number dated 25.10.11. The applicability of these instructions were extended upto 29.02.2012 vide Board's letter No. TC-I/2005/108/3-Pt. dt. 31.01.2012.

The matter has been examined and it has been decided to extend the applicability of the above instructions upto 31.03.2012 or till issue of the next instruction on the subject, whichever is earlier. All other details of the letter will continue to apply unchanged.
