Sub: Cancellation of indents after physical supply of wagons

Please refer to SCR's letter No.C.310/RG.I/Gds.Sheds/P/Facilities dt.24.08.2011 forwarding the Audit suggestion regarding provision of penal clause to prevent the instances of cancellation of indents after supply of wagons.

The matter has been examined. It is seen that Rule 201 of Goods Tariff and Para 1402 of Commercial Code authorizes railway administration to make temporary local variations in exceptional circumstances or to prevent the misuse of indenting process. Zonal Railway is advised to deal with exceptional circumstances as per the said provisions.
