Please refer to SECR's letter No.C/SECR/BSP/PC/Policy/1381 dt.27.02.2014 wherein it has been proposed to treat nearby weighbridge at par with the weighbridge at originating point in case weighbridge could not be installed at goods sheds due to operational constraints.

The matter has been examined and it is to state that extant guidelines are considered adequate. Zonal Railway is advised to follow guidelines regarding installation of weighbridge as contained in Board's letter No. TC-I/2014/108/2 dt.12.06.2014.
