No.TC-I/2014/109/2

New Delhi, dt. 05.08.2015

CCM(FM) cum CCO
WR, Mumbai.

Sub: Weighment and load adjustment of overloaded wagons

Ref: (i) Rates Master Circular/Weighment/2014/0

(ii) WR's letters No.C 353/2 Vol.XII dt.05.01.2015 & dt.13.07.2015

Please refer to WR's letters under reference seeking guidelines in reference to a case where load adjustment of the coal rake was not allowed by Railway at the originating point (viz. KDPL) but it was carried out at nearby station (viz. GIM).

The matter has been examined. Extant guidelines on the subject matter are prescribed vide Rates Master Circular under reference. In the case referred to by WR, it is to advise that an appropriate decision may be taken by CCM/WR.
