(RAILWAY BOARD रेलवे बोर्ड)

TC-1/
No. 2016/Misc./1

New Delhi, Dt. 02.12.2016

Chief Commercial Manager
Chief Operations Manager
All Zonal Railways

Sub: Checking movement of overloaded road vehicles near railway terminals.

References have been received regarding movement of overloaded road vehicles near railway terminals (goods sheds, sidings, etc.).

The work of loading and unloading of consignment from wagon to railway's wharf, removal thereof from railway's wharf through trucks/trolleys and vice-versa are arranged by rail customers (i.e. consignor/consignee) by engaging their labourers.

In order to ensure safe and secure movement, all concerned Railway Staff may be asked to advise the rail customers (consignor/consignee) to avoid overloading in trucks/trolleys etc. which are moving from/to Rail terminals (Goods Sheds, Siding etc.).
