Sub: Fixation of free time for slag loading in case of seven old steel plants

Ref: SER's letter No.MG58/305/Pt.16 dt.17.06.2016

Please refer to SER's letter under reference regarding fixation of free time for slag loading in case of seven old steel plants.

The matter has been examined and it is to state that no change in the present free time for loading/unloading of wagons at seven old steel plants has been found feasible. Extant free time rules holds good.
