Sub: Realising of TPRC/TPRO(Two point rake surcharge)in TMS in case of RR issued in wagon load class rate.

As per Corrigendum-2 of Rates Master Circular / Block Rakes / Mini Rakes / Two Point Combinations etc./2015/0, Train load benefit for two point rake is available only for BCNHL wagons for specific combinations notified by Railway Board w.e.f. 28/09/2015.

From Tarakeswar (TAK)/ER a two point combination rake for JTTN+DMV has been booked . Customer placed demand for Covered wagons. Commodity- FVEG, Commodity code- 119510 (Potato) . Rly supplied combination of BCN+BCNA+BCNAHS wagons. Hence, TMS charged freight on "Wagon load".

➤ But it is noticed that when Train load benefit is disallowed then also TPRC (Two point rake in covered wagon) charge is levied in TMS RR. As per Rates Master Circular / Block Rakes / Mini Rakes / Two Point Combinations etc./2015/0, para 5, supplementary charge of 5% to be realised for granting "Train load Class rate" for two point rake .
