

S.N. 318

**GOVERNMENT OF INDIA/BHARAT SARKAR
MINISTRY OF RAILWAYS/RAIL MANTRALAYA
(RAILWAY BOARD)**

No. TC-1/2005 /104/1-pt.

New Delhi, dated 23 -03-2009

Chief Commercial Managers,
All Indian Railways

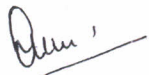

**Sub: Issue of computerized RRs through TMS & discontinuation
of CNCC facility.**

**Ref. 1) Board's letter No. TC-1/2009/304/1 dated 12.03.09
2) Board's letter No. TC-1/2005/104/1-pt.dated 07.01.09**

To expedite E-payment system and issue of 100% RR through TMS, Ministry of Railways has decided followings:

1. Zonal Railways should expedite proliferation of E-payment system, since all major customers are to be brought under this system for payment of freight.
2. Existing facility of CNCC will be extended only at such locations where TMS has not been provided. The same should be discontinued within six months of commissioning of TMS at such locations.
3. With effect from 01.07.09 CNCC facility should be discontinued from all locations where TMS has been provided for the past six months.
4. There may be cases where customer has completed their part of all formalities (like signing of tri-partite agreement and opening of LC/BG etc.) within 6 months of commissioning of TMS and operationalization of E-payment is held up on account of Zonal Railway or CRIS. In such case, CNCC facility will be extended to the customer for a maximum period of three months after the date of execution of the tri-partite agreement. During the period, all efforts should be made to implement E-payment system. As soon as E-payment system is operationalised, CNCC facility will be discontinued.
5. At all locations where TMS has been implemented, Zonal Railway will write to customers and inform them regarding the above instructions for withdrawal of CNCC facility.

This issues with the concurrence of the Finance Directorate of the Ministry of Railways.
