Sub: Levy of Detention Charge for load adjustment of overloaded wagon
Ref: (i) Rates Master Circular/Weighment/2019/0
(ii)WR’s letters No.B 611/3 Vol XII dt.20.05.2019 & 30.08.2019

Please refer to WR’s letters under reference (ii) wherein Railway has requested that detention charges @5000/- per overloaded wagon may not be levied if overloading under one tonne is detected in one wagon warranting load adjustment at originating point itself.

The matter has been examined. It is to state that extant guidelines hold good and at present no change is required.
