Sir,

I am a registered Ph.D. Scholar in Indian Maritime University, Chennai. My research area is ‘Multi modal freight Transportation in India – A critical study’.

In this connection, I intend to study the freight traffic details by Indian Railways apart from the details of terminals (both container and otherwise).

I request that ‘in principle approval’ may be given to get information for this study from CRIS and Commercial directorate. I will be requesting for data in topics such as container traffic, terminals, PFTs, etc.

The data received will be strictly used for academic study purpose only in connection with my Ph.D program.

Thanking you,

Yours sincerely,

(P.RAVEENDRAN)

To

Shri N.Madhusudana Rao, IRTS, Additional Member (Commercial), Railway Board, Room No.473, NEW DELHI. (e-mail: madhusudana.rao@gov.in)
