Ref: Rates Master Circular/Demurrage-Wharfage-Waiver/2016/0 and its corrigenda

Due to second wave of Covid-19 pandemic, several State Governments have invoked lock-down.

Full power for waiver of Demurrage and Wharfage have already been granted to GMs of Zonal Railways. In order to provide relief to the customers in case of handling goods traffic, decisions on waiver of Demurrage and Wharfage may be taken based upon local conditions prevailing regarding lockdown, either full or partial, and the extent to which it affects detention of rakes or occupation of wharfs.

This issues in consultation with Traffic Transportation and Finance Directorates of Ministry of Railways.
