FREIGHT CALCULATOR-MILITARY SPECIAL

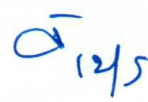

1. Refer your letter No. TC-I/2020/8/efile/1-Part(1)(3329130) dated 09.05.2022.
2. It is highly appreciable that the approval for automated freight calculator to be used as standalone given by you. However, it is to bring to your notice that if the freight calculator will be used as standalone, the field user will not be able to use it for reference purpose and the charges anomalies will continue to persist.
3. In view of the above, the launching of freight calculator on Intranet FOIS network will be more beneficial and fructify the purpose. This will remain outside the purview of internet thereby ensuring safety also. Defence authorities have already given the NOC for launching of the freight calculator on FOIS system.
4. Therefore, it is requested that the necessary approval may kindly be given to launch the freight calculator on Intranet FOIS network.
