No.TC-I/2019/101/1 (3318665)

New Delhi, dt. .01.2024

CAO/FOIS
Camp: CRIS
Chanakyapuri
New Delhi-21

Sub: Modifications in e-RD module of FOIS web portal.

Reference has been received from ECoR wherein Railway has suggested that in case of ports, option may be provided in the e-RD module so that at the time of placement of indent the customer will be able to fill in the following details-

- name of siding and terminal where rake will be supplied for loading
- name of authorized handling agent
- name of vessel and vessel number

The matter has been examined in consultation with TT Dte. of Railway Board and it has been decided that CRIS/FOIS may provide additional field in the e-RD module for filling up the details as suggested by ECoR. However, the same should be kept optional.

(This disposes ECoR's letter No. CCM/325/WRF/Pt-II dt.01.01.2024)
