Sub: Commodities restricted for movement by containers

Please refer to NFR's letter No.C/215/RD-9/Policy/Pt.II dt.18.10.2010 wherein *inter alia* mentioning that CONCOR has been loading CP coke by containers, a clarification has been sought regarding movement of coke by containers.

The matter has been examined and it is advised that instructions are very clear. In terms of Para 5.1 of Board's letter No.2008/TT-III/73/9 dt.01.07.2008, Coal and Coke are the restricted commodity for movement by containers.

Loading of coke in containers by CONCOR is a serious matter. NFR may get the matter examined and furnish detailed report.
