**Sub: Cancellation of indents – reg.**

\*\*\*\*\*

A joint meeting of Hon'ble Minister of Power and Housing & Urban Affairs, Hon'ble Minister of Coal & Mines and Hon'ble Minister of Railways, Information & Broadcasting, Electronics & IT was held on 16.12.2024 to discuss Coal and Railway logistic issues. During the meeting the issue of cancellation of indents and its repercussion was raised by MoP.

In order to avoid cancellation of indents in future, CIL subsidiaries may be advised to :-

- Place indents as per loading capacity.
- Keeping 3-4 months of indents on hand, further program and indents should be avoided.
- Timely withdraw indents on account of non-availability of coal or non-access/non operability in loading area.
- Coal companies to review the pending indents of more than 5-6 months and cancel/withdraw such indents without any implication whatsoever in cancellation of allotment of coal rakes.

This issues with the approval of competent authority.

(Narender Singh Rawat)  
Deputy Director/TT-V  
Railway Board.
