No.2023/TT-1/76/Misc/7

New Delhi, dated 16.07.2024

Principal Chief Operation Manager,
All Zonal Railways

Sub: Variance in train pulling time at different crew lobbies over Zonal Railways.

There has been variance noticed in train pulling time across Zonal Railways, which is presently being decided by Railway Authority at division level as per local condition. At some divisions/depots, it is contributing to higher ineffective time and leading to increased Pre-Departure Detentions (PDD).

To bring uniformity in practice and reducing ineffective time before charge taking over & for improving the PDD, it has been decided by Board that maximum 15 minutes be allowed for train pulling across all Zonal Railways.

In view of the above, it has to be ensured, that maximum 15 minutes train pulling time is to be allowed in all the Railways.

The correction slip in Operating Manual will follow.
