Sub: DAR Action against officers on the verge of retirement

In terms of Para 615 of IRVM 2018, cases pertaining to officers/staff (composite cases) on the verge of retirement should be accorded top priority and sent to Board vigilance with adequate time available for processing and obtaining advice of CVC. In this regard, CVC has issued D.O. No.020/MISC./009-451784 dt.29.05.20 (Copy enclosed) urging vigilance functionaries as well as administrative authorities to prioritize activities of conducting investigations and completion of disciplinary action well in advance in respect of officers/officials due to retire shortly, so as to avoid late reference to Commission and has advised that all such retirement cases should be received by the first week of month of superannuation of the official concerned without fail.

It is advised that all concerned shall kindly ensure submission of cases of officer/official(s) about to superannuate with adequate time, at least two months before retirement, for processing in Board Vigilance and obtaining advice of CVC.

This issues with approval of PED/Vig & CVO/Ministry of Railways.
