2020/W-I/GenL/PMO (E-off- 3334070) New Delhi, dated:10.06.2021

All General Managers,
Indian Railways

The Chairman & Managing Director,
RVNL, IRCON, MRVC, MAHSRCL, DFCCIL

Sub : Indian Railways projects monitored by Hon’ble PM through PRAGATI (Pro-Active Governance And Timely Implementation).

As your might be aware, several railway projects are being monitored through PRAGATI portal and meetings are chaired by Hon’ble PM. PRAGATI is an IT based redressal and monitoring system. It combines Data Management and Analysis, Geo-spatial Applications as well as Video-conferencing. Drone videos are seen by Hon’ble PM during meetings along with presentation which bring out salient features, progress and targets for completion. The system uses the data base of Project Monitoring Group (PMG) and the Ministry of Statistics and Programme Implementation (MoSPI) for projects costing more than 150 crs at time of initial sanction.

It is seen that regular monitoring and follow up is not being done for these projects and issues discussed before Hon’ble PM and this results in embarrassing situation for Ministry of Railways. Targets given by Zonal Railways/PSUs during meeting are frequently changed and this gets adversely commented upon during meetings.

Total 90 projects of MoR have been discussed in 36 meetings (from 25.3.2015 to 24.2.2021). 10 projects have been discussed twice during this period. The list of projects discussed in PRAGATI meetings and issues brought out are attached for regular monitoring and follow up at all levels. (Annexure I – Date wise projects discussed and Annexure II- Zonal railway/Executing agency-wise).

The officers working on these projects may be sensitized for avoiding procedural delays and regular follow up with other statutory authorities and State Governments.

Encl: As above.

   - State Government should acquire and handover the balance land by December, 2017.
   - M/o Railway should expeditiously complete the survey for 75.94 ha for forest land in phase – II, and submit the proposal for diversion to concerned authority by August, 2017.
   - M/o Railways and State Government must work in a coordinated way to ensure expeditious completion of the project.
Minutes of the Meeting held on: February 22, 2017

4. NERUL/BELAPUR – SEAWOOD – URBAN RAILWAY PROJECT: 27 KM.

- State Government should acquire and handover the balance land by April 2017.
- Phase – I should be completed by December, 2017.
- Phase – II should be completed by June – 2019.
- M/o Railway and State Government must work in a coordinate way to ensure expeditious completion of the project.

Minutes of the Meeting held on: May 27, 2015

5. AHMEDNAGAR – BEED- PARLI VAIJNATH NEW BG LINE (514 KM) (REF: CM - MAHARASHTRA) 261 KM.

- Approval of Govt. of Maharashtra be obtained on sharing of revised cost estimate.
- Railway work of Ahemadnagar – Beed section be expedite.
- Land acquisition Beed – Vaijanath section be speed up.
EASTERN RAILWAY

Minutes of the Meeting held on: February 22, 2017

1. TARAKESHWAR – BISHNUPUR NEW LINE: 83 KM.

- State Government should disburse the compensation amount quickly.
- M/o Railways and State Government should acquire the balance land by May, 2017.
- M/o Railways and State Government must work in a coordinate way to ensure expeditious completion of the project.

EAST CENTRAL RAILWAY

Minutes of the Meeting held on: January 22, 2020

1. THIRD LINE BETWEEN PATRATU-SONNAGAR: 291 KM

- G/O Jharkhand should expedite tree cutting permission.
- M/o Railways, M/o Environment Forest & Climate Change and G/o Jharkhand should quickly resolve the issue of alternative route, wild life clearance and forest clearance required for the project.
- M/o Railways in co-ordination with G/o Jharkhand should speed up implementation and complete the project by December, 2022.

Minutes of the Meeting held on: July 31, 2019

2. DOUBLING OF KIUL-GAYA RAIL LINE: 124 KM

- Now all the issues have been resolved and all major contracts have been awarded.
- Ministry of Railways in co-ordination with Government of Bihar should speed up execution and complete the project by December, 2020.
Minutes of the Meeting held on: June 27, 2018

3. DOUBLING OF RAMNA – SINGRAULI RAIL LINE: 160 KM

- Ministry of Railways should submit the proposal for forest clearance by 31.07.2018.
- Ministry of Railways in co-ordination with state government should speed up execution and aim to complete some sections (Ramna-Mahuriaya and Singrauli – Magardaha) by March, 2019 and complete line by June 2020.

Minutes of the Meeting held on: May 23, 2018

4. RAMPUR DUMRA-TAL-RAJENDRAPUR ADDITIONAL BRIDGE AND DOUBLING: 14KM

- Ministry of Railways should submit the proposal for land acquisition to Government of Bihar by June, 2018.
- Government of Bihar should ensure to handover the required land by July, 2018.
- Ministry of Railways and Government of Bihar must work in co-ordination to resolve all the issues hindering the progress of project.

Minutes of the Meeting held on: August 26, 2015

5. NEW BG RAIL LINE: KODERMA-HAZARIBAG-BARAKAKANA- RANCHI (200 KM)

- Extension of this broad gauge line upto Ranchi is of prime importance as this will help hinterland areas of Jharkhand.
- The project has been greatly delayed. M/o Railway must expeditiously process sanction for revised estimate and complete BG line from Hazaribagh to Barkakana by March 2016 and from Barkakana to Ranchi by September 2016.
- State Government should ensure acquisition of 113 ha land.
Minutes of the Meeting held on: May 27, 2015

6. RAIL – CUM- ROAD BRIDGE ACROSS RIVER GANGA AT MUNGER (3.7 KM)

- The Rails cum Road Bridges at Munger and Patna were sanctioned in 1997 – 1998, but are delayed.
- Only 100 m Rail work is left for commissioning the Munger Bridge on Northern side (Barauni), 16 families are yet to be issue, PMO may be informed of the status accordingly.

Minutes of the Meeting held on: March 25, 2015

- This rail line is crucial for progress of Coal sector and Jharkhand. Against 1138 acres, 466 acre hand over.
- State Govt. may consider to form SPVs for development of rail network as has been done by Chhattisgarh & Odessa.
- Transfer of Govt. or Jungal Jhari land and formal acquisition may be speeded up.
- MoEF may examine the suggestion of CS – Jharkhand on delegation of powers in clearances.
- Survey work is completed Railway Board may file Forest Clearance application to Government of Jharkhand.

8. RAIL CUM ROAD BRIDGE OVER RIVER GANGA AT PATNA – M/O RAILWAYS PROJECT.

- This project is of prime importance. It has been greatly delayed and its cost has increased by 5 times.
- Land for Both Approaches of railway line should be handed over to Railways. The compensation may be quickly disbursed and R&R of project affected people may be expedited.
EAST COAST RAILWAY

Minutes of the Meeting held on: January 27, 2021

1. BHADRAK-NERGUNDI THIRD RAIL LINE: 87 KM
   - G/o Odisha may acquire and transfer the balance land by 28.02.2021.
   - M/o Environment Forest & Climate Change, M/o Railways and G/o Odisha may expeditiously process the proposal of forest clearance.
   - M/o Railways may speed up execution and complete the project by 31.12.2023.
   - Ministries/Departments/States/UTs should develop a mechanism to resolve the issue/problems of the projects so that time and cost overruns could be avoided.

Minutes of the Meeting held on: January 22, 2020

2. KHUDRA-BOLANGUR NEW BG RAIL LINE: 289 KM
   - G/o Odisha should acquire and handover the balance land by June, 2020.
   - M/o Railways, M/o Environment Forest & Climate Change and G/o Odisha should process the proposal of forest clearance for balance package/part expeditiously.
   - M/o Railways should revisit its mechanism to monitor this kind of projects.
   - Cabinet Secretary should monitor the project.

Minutes of the Meeting held on: August 29, 2018

3. HARIDASPUR-PARADEEP NEW RAIL LINE: 82 KM
   - Government of Odisha should acquire and handover the balance land by December, 2018.
• Ministry of Railways, Governments of Odisha should speed up execution and aim to complete section (Haridaspur- Kandrapara) by November, 2018 and complete line by February, 2019.

Minutes of the Meeting held on: June 27, 2018

4. DOUBLING OF KOTTAVALASA-KORAPUT RAIL LINE: 189 KM

• Ministry of Railways should submit the proposal for forest diversion and land acquisition to Government of Andhra Pradesh by 31.07.2018.
• Ministry of Railways in co-ordination with state governments should speed up execution of work.
• Ministry of Railways should submit the proposal for forest clearance by 31.07.2018.

Minutes of the Meeting held on: May 23, 2018

5. 3RD & 4TH RAIL LINE BETWEEN BUDHAPANK-SALEGAON: 170 KM

• Ministry of Railways should submit the forest diversion proposal by June, 2018.
• Ministry of Railways and Government of Odisha should acquire the land required of the project expeditiously.
• Ministry of Railways in co-ordination with state governments should speed up execution and ensure to start operation in a section (Sallegaon to Rajathgarh) by December, 2018.

Minutes of the Meeting held on: April 25, 2018

6. VIZIANAGARAM-SAMBALPUR (TITLAGARH) 3RD LINE (BG): 265 KM

• Government of Odisha should quickly acquire and handover 9.5 acre land as requested by Ministry of Railways.
- Government of Andhra Pradesh should quickly acquire and handover 88 acre land as requested by Ministry of Railways.
- Ministry of Railways should complete survey and submit balance land acquisition proposal to Government of Odisha by 31.08.2018 and to Government of Andhra Pradesh by 30.06.2018.
- Ministry of Railways should also submit the forest diversion proposal to Government of Odisha by 31.08.2018.

Minutes of the Meeting held on: June 29, 2016

7. SAMBALPUR-BAMUR-TALCHER DOUBLING PROJECT (174 KM).
- State Government should handover the balance land by October, 2016.
- M/o Railways should complete the survey work for forest land and award the balance packages of project by August, 2016.
- M/o Railways should speed up the work and complete the project by December, 2018.
- This will reviewed again at appropriate level.

Minutes of the Meeting held on: March 23, 2016

8. DOUBLING OF KIRANDUL – JAGDALPUR RAILWAY LINE (150 KM).
- Govt. of Chhattisgarh should quickly complete land acquisition and transfer land to Railways.
- M/o Railways should speed up the work on Silakjhori-Gidam-Kirandul section.
- M/o Home and State Government should provide adequate security to complete the project smoothly.
- M/o Railways should complete the project by January, 2019.
Minutes of the Meeting held on: February 17, 2016

9. TALCHER – BIMALAGARH NEW BROAD GAUGE RAIL LINE.

- State Government should complete land acquisition work and tree cutting work and also resolve the issue of irrigation Dept.
- Ministry of Environment, Forest & Climate Change should expeditiously process forest clearance proposal.
- Ministry of Railways must quickly award the balance part of project and complete the Phase – I works, by December, 2017.

Minutes of the Meeting held on: January 27, 2016

10. ANGUL – SUKINDA –NEW RAIL LINE PROJECT (105.24 KM.)

- State Government should expeditiously transfer the balance government land, disburse compensation to land losers and extend full support in execution of work.
- As working permission for government land and forest permission have been granted, M/o Railways should complete the project by August, 2017.

Minutes of the Meeting held on: September 30, 2015

11. KHURDA – BOLANGIR NEW BG RAIL LINK (289 KM)

- The work on this critical line has been greatly delayed though it is essential for hinterland development in Odisha.
- Ministry and State Government must expeditiously complete filed survey work.
- Railway Ministry may sanction the estimate & send fund requirements to State Government.
- State Government should expeditiously complete the land acquisition of 4900 acres for the project.
- Cabinet Secretary should monitor the project.
