CIRCULAR

Sub: Final Seniority List of Section Officers' Grade of RBSS for the year 2004.

In compliance of Hon'ble Central Administrative Tribunal/New Delhi's judgement dated 31.05.2016 in O.A. No. 591/2009 (in the matter of Shri N.K. Sharma & others Vs UOI) and O.A. No. 2981/2009 (in the matter of Shri Manoj Kumar & others Vs UOI) [both involving the seniority issue between Direct Recruit Section officers and Promotee Section Officers' of Railway Board Secretariat Service(RBSS)], the Seniority List of Section Officers' Grade of Railway Board Secretariat Service (RBSS) was revised from 1970 to 2003, taking into account the principles deliberated in the aforementioned order and excess DPs from the Select List year 1990 to 2003, as well as DPs of 2004 Select List were placed in the Seniority list for the year 2004. And, the said Seniority List from 1970 to 2004 was issued vide Board's Circular No. ERB-I/2012/17/3 dated 29.08.2017.

2. After issue of aforementioned seniority list of Section Officer's Grade of RBSS, representations from various quarters were received time and again, against the methodology adopted for preparing the Seniority list of Section Officers' Grade of RBSS for the year 2004, issued vide Board's Circular No. ERB-I/2012/17/3 dated 29.08.2017.

3. The said representations were examined in detail and it was decided, with the approval of Competent Authority, to provisionally recast the Seniority list of Section Officers' Grade of RBSS for the year 2004 on the basis of actual vacancies available in that grade as per cadre strength of SOs grade prescribed in 1st cadre restructuring of RBSS in 2004-05 and to place the remaining officers in the Seniority list of subsequent year(s) on the basis of vacancies available in those years. And, the same methodology would be adopted for preparing the Seniority list of Section Officer's Grade of RBSS for the year 2005 onwards.

4. Accordingly, a revised Provisional Seniority list of Section Officers' Grade of RBSS for the year 2004 was issued on 08.08.2024 and all the concerned Officers and other stakeholders of RBSS were advised to submit their objections/representations, if any, against the above methodology adopted for 2004 onwards as well as verify their details (if applicable), in the provisional Seniority list of 2004 and bring out any omission/error in this respect to the notice of Administration within 15 days i.e. upto 23.08.2024.

5. In response to above, representations mainly on two issues have been received from concerned Officers and other stakeholders of RBSS. The issues raised in the representations received and remarks thereupon, are as under:

(i) Seniority List of Section Officers' Grade of RBSS for the year 2004 onwards be framed to the extent of placing the officers in 2004 & onwards strictly according to the number of substantive vacancies as per the LDCE indent sent each year to UPSC- the principle as has been adopted in the same list till 2003.

With regard to above contention, it is submitted that the obligation of the Hon'ble CAT's order dated 31.05.2016, was only to recast the seniority list of Section Officers' Grade of RBSS from 1970 to 2003 taking into account the DPs ratio commensurate with DR indent placed to UPSC at the time of recruitment. From the year 2004 onwards, DR recruitment was stopped and therefore there was no requirement for observing the rota-quota rule between DR and DPs and also to calculate substantive vacancies as has been done till 2003. The contention that Seniority List of 2004 and thereafter, should continue to be restricted in linkage to LDCE indent of that year, rather than actual vacancies available in the said Grade, has not been found to have any merit. With the cadre restructuring of 2004, the cadre strength was clearly stipulated and sufficient number of officers are available in the Select List of Section Officers' Grade for placement against unfilled substantive vacancies.

(ii) Officers belonging to reserved category and RBSCTEA have represented that statutory rules of reservation have not been applied in revised Seniority list of SOs for the year 2004 and the said seniority List was not vetted by EDE(Res.). Further, it is stated that the Administration has knowingly and deliberately not paid any attention and in-fact bypassed of meeting statutory obligation to provide reservation as per policy on the subject. It has been demanded that the select lists both for LDCE stream and Seniority stream, as per the vacancy distribution among LDCE and Seniority and further for UR/SC/ST, should be drawn afresh. Also, any SC/ST officer who has availed reservation in any of the years of LDCE should be counted against reserve points to avoid double benefit while seniority stream select list may be drawn from lists of ASOs (as per vacancy distribution amongst UR, SC and ST). Therefore, the applicable reservation points for SC/ST candidates needs to be allotted by revising the reservation roster register which has not been done. Further, it is stated that the reservation roster must be vetted by EDE(Res) and, thereafter, the names of eligible SC/ST candidates should be adjusted against these roster point. The same practice as outlined above must be followed in the subsequent years also to ensure reservation to SC/ST candidates as per their slots.

In this context, it is submitted that DPs panel, whether by Seniority or LDCE, are required to be vetted for reservation requirement, prior to panel finalisation. Thereafter, the officers from the panels are suitably interpolated to form the Select List and this is further interpolated with DRs (again vetted for reservation at initial indent stage only) as per rota-quota and this translates into Seniority List in accordance with substantive appointment against the cadre strength. The Hon'ble CAT's order was not for to affect the placement already settled in panel/Select List of DPs which was already vetted at initial stage from reservation point of view. Further, as per RRs there is no provision for vetting Seniority List for reservation nor for any ab-initio fresh assessment of reservation and Select List formation. RRs extensively covers the provisions for placing and removing persons in/from the Select List. Moreover, the issue of displacement of SC/ST (from both stream of LDCE & Seniority) without taking into account the lawful share of reserved candidates was also examined earlier while issuing the final Seniority List of Section Officer Grade of RBSS circulated vide Circular dated 29.08.2017. The same methodology (restricting to only to DPs) has been adopted in recasting the provisional Seniority List of Section Officers Grade for the year 2004 issued vide Circular of even number dated 08.08.2024.

6. The abovementioned issues raised in various representations have been found devoid of merit and are accordingly, disposed off. And, accordingly, the final Seniority List of Section Officers' Grade of RBSS for the year 2004 is enclosed as **Annexure-I**.
