Ministry of Railways

1. INTRODUCTION

1.1 Background

- 1.1.1 The Ministry of Railways (the “**Authority**”) is engaged in the development of railways and as part of this endeavour, the Authority has decided to enable setting up of a factory to manufacture rail cars powered by a dedicated propulsion system at Kanchrapara in West Bengal (the “**Factory**”) for supply thereof on the basis of a long term procurement-cum-maintenance contract (the “**Project**”) through Public-Private Partnership (the “**PPP**”) on Build, Own and Operate (the “**BOO**”) basis, and has decided to carry out the bidding process for selection of a private entity as the bidder to whom the Project may be awarded. A brief description of the project may be seen in the Information Memorandum of the Project at the Authority’s website www.indianrailways.gov.in. Brief indicative particulars of the Project are as follows:

The selected bidder shall manufacture and supply train sets comprising rail cars of 3660 mm and 3250 mm width and powered by a dedicated propulsion system, conforming to the specifications and standards to be specified in the Bidding Documents, (the “**Electrical Multiple Units**” or “**EMU**”), spread over a period of 10 (ten) years (the “**Supply Period**”) and undertake maintenance thereof for a period of 10 (ten) years. The indicative cost of the Factory is Rs. 1,000 crore (Rupees one thousand crore). The Authority intends to pre-qualify and short-list suitable Applicants (the “**Bidders**”) who will be eligible for participation in the Bid Stage, for awarding the Project through an open competitive bidding process in accordance with the procedure set out herein.

- 1.1.2 The selected Bidder, who is either a company incorporated under the Companies Act, 1956 or undertakes to incorporate as such prior to execution of the agreement (the “**Supplier**”), shall be responsible for setting up a Factory with a capacity to manufacture EMUs comprising about 500 (five hundred) rail cars per annum, for supply thereof, under and in accordance with the provisions of a long term procurement-cum-maintenance agreement (the “**Agreement**”) to be entered into between the Supplier and the Authority in the form provided by the Authority as part of the Bidding Documents pursuant hereto. The Agreement may, inter alia, include the participation of the

Authority in the SPV by subscribing to its equity for up to a maximum of 26% (twenty six percent) of its issued and paid up share capital, but subject to a maximum of Rs. 100 (one hundred) crore.

- 1.1.3 The scope of work will broadly include setting up of a Factory for manufacture and supply of EMUs for about 10 (ten) years and maintenance thereof in accordance with the Agreement. Subsequent to the aforesaid period of 10 (ten) years, the Supplier shall be free to participate in the global tenders issued by the Authority for purchase of EMUs and the Authority expects to procure a specified proportion of its annual requirements from private entities through open competitive bidding.
- 1.1.4 Indicative capital cost of the Project (the **“Estimated Project Cost”**) will be revised and specified in the Bidding Documents of the Project. The assessment of actual costs, however, will have to be made by the Bidders.
- 1.1.5 The Authority shall receive Applications pursuant to this RFQ in accordance with the terms set forth herein as modified, altered, amended and clarified from time to time by the Authority, and all Applications shall be prepared and submitted in accordance with such terms on or before the date specified in Clause 1.3 for submission of Applications (the **“Application Due Date”**).

1.2 Brief description of Bidding Process

- 1.2.1 The Authority has adopted a two-stage process (collectively referred to as the **"Bidding Process"**) for selection of the bidder for award of the Project. The first stage (the **"Qualification Stage"**) of the process involves qualification (the **“Qualification”**) of interested parties/ consortia who make an Application in accordance with the provisions of this RFQ (the **"Applicant"**, which expression shall, unless repugnant to the context, include the Members of the Consortium). Prior to making an Application, the Applicant shall pay to the Authority a sum of Rs 1,00,000 (Rupees one lakh only) as the cost of the RFQ process. At the end of this stage, the Authority expects to announce a short-list of up to 7 (seven) suitable pre-qualified Applicants who shall be eligible for participation in the second stage of the Bidding Process (the **"Bid Stage"**) comprising Request for Proposals (the **“Request for Proposals”** or **“RFP”**).

Government of India has issued guidelines (see Appendix-V) for qualification of bidders seeking to acquire stakes in any public sector enterprise through the process of disinvestment. These guidelines shall apply *mutatis mutandis* to this Bidding Process. The Authority shall be entitled to disqualify an Applicant in

accordance with the aforesaid guidelines at any stage of the Bidding Process. Applicants must satisfy themselves that they are qualified to bid, and should give an undertaking to this effect in the form at Appendix-I.

- 1.2.2 In the Qualification Stage, Applicants would be required to furnish all the information specified in this RFQ. Only those Applicants that are pre-qualified and short-listed by the Authority shall be invited to submit their Bids for the Project. The Authority is likely to provide a comparatively short time span for submission of the Bids for the Project. The Applicants are, therefore, advised to visit the site and familiarise themselves with the Project.
- 1.2.3 In the Bid Stage, the Bidders will be called upon to submit their financial offers (the "**Bids**") in accordance with the RFP and other documents to be provided by the Authority (collectively the "**Bidding Documents**"). The Bidding Documents for the Project will be provided to every Bidder on payment of {Rs. 40,00,000 (Rs. forty lakh only)}^{\$}. The Bid shall be valid for a period of not less than 120 days from the date specified in Clause 1.3 for submission of bids (the "**Bid Due Date**").
- 1.2.4 In terms of the RFP, a Bidder will be required to deposit, along with its Bid, a bid security of Rs. 40,00,00,000 (Rs. forty crore) (the "**Bid Security**"), refundable no later than 60 (sixty) days from the Bid Due Date, except in the case of the selected Bidder whose Bid Security shall be retained till it has provided a Performance Security under the Agreement. The Bidders will have an option to provide Bid Security in the form of a demand draft or a bank guarantee acceptable to the Authority and in such event, the validity period of the demand draft or bank guarantee, as the case may be, shall not be less than 180 (one hundred and eighty) days from the Bid Due Date, inclusive of a claim period of 60 (sixty) days, and may be extended as may be mutually agreed between the Authority and the Bidder from time to time. The Bid shall be summarily rejected if it is not accompanied by the Bid Security.
- 1.2.5 Generally, the Lowest Bidder shall be the selected Bidder. The remaining Bidders shall be kept in reserve and may, in accordance with the process specified in the RFP, be invited to match the Bid submitted by the Lowest Bidder in case such Lowest Bidder withdraws or is not selected for any reason. In the event that none of the other Bidders match the Bid of the Lowest Bidder, the Authority may, in its discretion, invite fresh Bids from the remaining Bidders or annul the Bidding Process, as the case may be.

^{\$} The actual amount will be indicated in the RFP.

- 1.2.6 During the Bid Stage, Bidders are invited to examine the Project in greater detail, and to carry out, at their cost, such studies as may be required for submitting their respective Bids for award and implementation of the Project.
- 1.2.7 As part of the Bidding Documents, the Authority will provide a draft Agreement and Manual of Specifications and Standards and other information pertaining/ relevant to the Project available with it. The commercial terms, the rights and obligations of the parties and other conditions of the draft agreement are likely to be based on the Model Agreement for Procurement-cum-Maintenance of Locomotives, published by the Planning Commission (see www.infrastructure.gov.in). Applicants may study this document to familiarise themselves with the likely structure of the proposed agreement.
- 1.2.8 Bids will be invited for the Project on the basis of the lowest unit price of an EMU for supply thereof (the "**Price**"). The terms and conditions of supply and maintenance shall be pre-determined, and will be indicated in the draft Agreement forming part of the Bidding Documents. The Price shall constitute the sole criteria for evaluation of Bids. The Project shall be awarded to the Bidder quoting the lowest Price.
- In this RFQ, the term "**Lowest Bidder**" shall mean the Bidder who is offering the lowest Price.
- 1.2.9 The Supplier shall be entitled to produce, supply and maintain the EMUs in accordance with the Agreement and to charge a Price and maintenance fee for the same from the Authority.
- 1.2.10 Further and other details of the process to be followed at the Bid Stage and the terms thereof will be spelt out in the Bidding Documents.
- 1.2.11 Any queries or request for additional information concerning this RFQ shall be submitted in writing or by fax and e-mail to the officer designated in Clause 2.13.3 below. The envelopes/ communications shall clearly bear the following identification/ title:

"Queries/ Request for Additional Information: RFQ for EMU Project".

Guidelines of the Department of Disinvestment

(Refer Clause 1.2.1)

No. 6/4/2001-DD-II

Government of India

Department of Disinvestment

Block 14, CGO Complex

New Delhi.

Dated 13th July, 2001.

OFFICE MEMORANDUM

Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the process of disinvestment

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like net worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/ disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

- (a) In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment/ adverse order by a regulatory authority that casts a doubt on the ability of the bidder to manage the public sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. Grave offence is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case

* These guidelines may be modified or substituted by the Government from time to time.

to case basis after considering the facts of the case and relevant legal principles, by the Government of India.

- (b) In regard to matters relating to the security and integrity of the country, any charge-sheet by an agency of the Government/ conviction by a Court of Law for an offence committed by the bidding party or by any sister concern of the bidding party would result in disqualification. The decision in regard to the relationship between the sister concerns would be taken, based on the relevant facts and after examining whether the two concerns are substantially controlled by the same person/ persons.
- (c) In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.
- (d) Any entity, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.
- (e) The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.
- (f) Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.
- (g) Henceforth, these criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory authority is pending against them. In case any investigation is pending against the concern or its sister concern or against its CEO or any of its Directors/ Managers/ employees, full details of such investigation including the name of the investigating agency, the charge/ offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of

the Government. For other criteria also, a similar undertaking shall be obtained along with EOI.
